**Phone: (302) 202-1110 Pass Code: 727048**  
**Script as of 05/30/2016**

**(All phone lines muted as meeting begins.)** Welcome to the Men's 8:30 AM SA Daily Sobriety Renewal. A special welcome to any newcomers who have joined us today. We're glad you are here. The purpose of our group is to carry our message of hope to the sexaholic who still suffers. The only requirement for membership is a desire to stop lusting and become sexually sober.

In this sobriety renewal, participants take turns answering a list of eight questions. Please **keep your share focused on the answers to these specific questions**. More general sharing is possible after the formal part of the meeting. Our goal is to finish within 45 minutes, so please **limit your answers to a minute or so. If your share is longer, I may ask you to wrap up to allow others to share**. We simply want to commit to ourselves, each other and with God to what it takes to stay sober, just for today. In defining sobriety, we do not speak for those outside Sexaholics Anonymous. We can only speak for ourselves. Thus for the married sexaholic, sexual sobriety means having no form of sex with self or with persons other than the spouse. For the unmarried sexaholic, sexual sobriety means freedom from sex of any kind. And for all of us single and married alike, *sexual sobriety includes progressive victory over lust*. (SA pg. 191-192)

Please join me in the Serenity Prayer. I suggest we use the (*singular/plural*) form this morning.

***God, grant me/us the Serenity to accept the things I/we cannot change, Courage to change the things I/we can, and the Wisdom to know the difference. Thy will, not mine/ours, be done.***

I will control the muting and unmuting of your phone so please **DO NOT** mute or unmute your phone by using either 4\* or the mute feature on your phone. At this point, I ask all callers who are just listening to press 5\* on your phone. That's 5\* for those not answering the questions. This facilitates our call flow. Thank you for honoring these two requests.

**Please listen carefully.** As the moderator of this call, I have visibility through our conference call's dashboard to the phone numbers of all callers. We do not have Caller ID capabilities. If a caller has come onto our call previously, I also see the caller's first name and state/country they provided during an earlier call. No one else has visibility to your phone number, name and where you are calling from during the live meeting. Your anonymity is precious to the men on this call. **Your stored contact information never will be released to anyone including SA central or other SA meeting groups.**

**NOTE TO MODERATOR:** *Read the optional paragraph that follows if any caller(s) without names are present on the call at this time - then do intake of these caller(s).*

I will unmute the phone of callers for which I do not have names and read the last four digits of your number asking you to identify yourself by first name and to state where they are calling from (if you wish) as well as your length of sexual sobriety. Feel safe in providing this information. It is important that every man identify himself whether he plans to share or not to protect the anonymity of everyone else on the call. Group conscience dictates that those who do not identify themselves will be removed from the call. After you provide this information, it is stored in a **secure, password protected** database to which only our Call Administrator has access. Your information will be used to identify you the next time you call to facilitate meeting intake and for no other purpose.

I will now read the names of those who will be participating in the meeting at this time. The order in which I read the names will be the same order we use to answer the questions.

**Questions 1, 2, 3 and 4:**

1. Are you willing to admit, just for today, that you are powerless over lust and sexual acting out?
2. Do you desire sobriety and freedom for the next 24 hours and are you willing to do whatever is necessary to protect this desire?

3. Just for today, do you commit to God and this group that you do not have to have sex with yourselves or with anyone else, no matter what?
4. Please share about your conscious contact with your Higher Power in the past day, realizing that it's not this renewal in itself or any other tool that keeps you sober, God does.

### Questions 5, 6, 7 and 8:

5. Is there anything in the recent past that has endangered your sobriety—lustful or otherwise—that you need to bring to the light? Are there any victories that you would like to share?
6. Is there anything in your plans for the next 24 hours that may lead you into difficulty – any danger zones? Or, you might share about your recovery plan for the next 24 hours.
7. Please share just one thing for which you are grateful or proud.
8. Just for today, are you willing to hand over your will and the care of our life to the One who kept you sober yesterday and protected you from the full consequences of our lust in the past?

Thanks to everyone for sharing. If there is anyone who would like a member to talk with after the formal part of this meeting has ended, there is an informal discussion time that will start shortly. This is a great time for any who are new to SA to ask questions, meet new recovery friends and find out more about recovery.

May God bless us all and let's remember we are never alone. Let's close with the Third Step Prayer, which you'll find on page 63 of the AA Big Book or page 95 of the SA White Book. I suggest we use the singular/plural form.

***God, I/we offer myself/ourselves to Thee,  
To build with me/us, and to do with me/us as Thou wilt.  
Relieve me/us of the bondage of self, that I/we may better do Thy will.  
Take away my/our difficulties, that victory over them  
May bear witness to those I/we would help of  
Thy Power, Thy Love and Thy Way of life.  
May I/we do Thy will always!  
Amen.***

Thanks for calling and for letting me be of service. Have a safe, sane and sober day! I will unmute your phone line now to facilitate sharing during the post-meeting discussion time.
