

SA PHONE MEETINGS!!!

Unable to attend your regular face to face meeting?

Can't leave your house because of sickness, bad weather, car won't start?

Difficult to get to a meeting when you're traveling?

Would you like to start your day with a meeting . . . get grounded in the middle of the day . . . clear your plate at the end of the day?

NOW YOU CAN MAKE A MEETING EVERY DAY!!!

- Attend a live SA teleconference meeting with others in the U.S. and Canada who are seeking sobriety.
- Two phone lines, multiple meeting formats to choose from throughout the day.
- If the line is silent when you call, you may need to wait until others call.
- Be courteous; mute your phone if there is background noise at your location.
- Follow the normal guidelines of a regular face-to-face meeting.
- Phone meetings are not intended to replace face-to-face meetings. Please attend local SA meetings, get a sponsor and work the steps! To find a face-to-face meeting visit <http://www.SA.org>.
